

OFFICE OF STUDENT FINANCIAL AID
2025-2026 Unusual Enrollment History Petition

Student's Name: _____ ID/SSN: _____

The U.S. Department of Education has established regulations to prevent fraud and abuse in the Federal Pell Grant Program by identifying students with unusual enrollment histories. Some students who have an unusual enrollment history do have legitimate reasons for their enrollment at multiple institutions. Such an enrollment history requires a review to determine whether there are valid reasons for the unusual enrollment history. This must be resolved before you can receive financial aid at Zane State College.

Please Note:

- o Appeals submitted without sufficient supporting documentation will be denied without an option to resubmit.
o DO NOT include original records, they will not be returned. Do ensure all copies are legible.
o We recommend you keep copies of all paperwork.
