What is Perfect Interview™?

Perfect Interview™ is an exciting online tool that you can use to practice and develop your interviewing skills. You see videos of tough questions from professional interviewers, which you must answer on the spot. You can also use a webcam, if available, to record your answers, so you can see exactly how you will look and sound when you go on your first interview! When you're done, upload your interview to our server so you can share it with your colleagues, advisors, and even prospective employers!

Why use Perfect Interview™?

Times are tough and the competition for good jobs is harder than every before. You need every advantage to get the job you want -- and the key to getting hired is a successful interview.

With Perfect Interview™, you can prepare yourself on your own time, from any location. And, you can video record your answers. Perfect Interview™ is packed with over 1800 interview questions, answers, and hints, all professionally produced on digital video, ready to be streamed to you. The content reflects the latest trends in the job market and covers a wide range of question categories, including:

- Job Performance
- Previous Employers
- Qualifications and Achievements
- Leadership and Management Skills
- Relations with Co-workers
- And so much more...
